Bill,

We appreciate you reaching out to us to coordinate a meeting. It is unfortunate that our proposed meeting did not take place, when the hearing was cancelled. At the present time, Don and I are not able to come to New York – as our attention needs to be on preparing and obtaining approvals to file the United States' Proofs of Claim, and we are both juggling other matters. We hope that after the United States files the Proofs of Claim, we would be able to coordinate an in person meeting. For now, we would be happy to schedule a conference call to begin a dialog.

David:

We reached out to you today and left a voice mail on this matter. We'd like to firm up a date to meet with you in the near term.

Last week, I spoke with Sarah Flanagan at Region 2 and she is aware of our proposed meeting. We suggested that Region 2 host the meeting in NYC if that works for you and Don. We are available on Dec. 2 if that date is open. If not, please advise us as to your and Don's availability.

I copy Sarah and Frances at EPA as Region 2 may wish to attend, if possible. We hope to hear from you soon.

Have a great Thanksgiving all.

Regards,

Bill

Bill,

Because Don is based in Boston and I'm based in DC, it may be best to schedule a call.

David:

Thanks for your note below. Given the adjournment of the discovery protocol matter, we don't plan to attend the hearing on Thursday and would like to reschedule the meeting with you and Don.

Given the upcoming holiday, are you free to meet on Friday, Dec. 2 (perhaps in Wilmington, DE) at 11 am? If you can't meet in Delaware, we could try to make it to DC for a lunch meeting.

Regards,

Bill

Hi David:

We are still in the process of negotiating an acceptable consent order to address the TSA information sharing. We will let you know the status of that in the coming days.

On a separate note, are you planning to attend the hearing on Thursday Nov 17 in the Maxus bankruptcy matter?

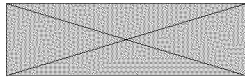

If so, would you be available to meet with us, perhaps during lunch, to discuss some issues in the proceeding?

Please let us know. Thank you.

Regards,

Bill
